STAR YOUTUBE CHANNEL

Question paper-1

II Year B.Sc. Nursing Degree Examination – OCT- 2014

Time: Three Hours

Max. Marks: 75

COMMUNITY HEALTH NURSING-1

Q.P. CODE: ****

Your answers to be specific question to be asked
Draw neat labeled diagrams wherever necessary

LONG ESSAYS (Answer any two)

2x10=20 marks

1. Discuss the methods of epidemiology with suitable examples.
2. Describe the impact of population explosion on health and economic status in India
3. Define food hygiene and explain preservation, preparation and consumption

SHORT ESSAYS (Answer any seven)

7x5=35 Marks

4. Promotion of health
5. Dietary pattern
6. Family structure
7. Leprosy
8. Demographic rates and ratios
9. Terminal; methods of Family planning
10. Malnutrition
11. Secondary prevention
12. Viral hepatitis

SHORT ANSWERS

10x2=20 marks

13. Advantages of recreation and sleep
14. Prevention of anaemia
15. Counselling for HIV and AIDS patients
16. Vital statistics
17. Emergency contraception
18. Diabetes mellitus
19. Demography
20. Communication
21. Obesity
22. Care during stroke

Question paper-2

II Year B.Sc. Nursing Degree Examination – OCT- 2015

Time: Three Hours
75

Max. Marks:

COMMUNITY HEALTH NURSING-1

Q.P. CODE: ****

Your answers to be specific question to be asked
Draw neat labeled diagrams wherever necessary

LONG ESSAYS (Answer any two)

2x10=20 marks

1. Explain in detail epidemiology and management of Malaria
2. Define Demography? Which are the methods of collecting demographic data? Describe the demographic cycle.
3. Explain the different methods of waste disposal in India

SHORT ESSAYS (Answer any seven)

7x5=35 Marks

4. Air pollution
5. Housing standards
6. Levels of prevention
7. Mumps
8. Oral contraceptive pills
9. Obesity
10. Women empowerment
11. Malnutrition
12. Mode of disease transmission

SHORT ANSWERS

10x2=20

marks

13. Safe and wholesome water
14. Immunoglobulin's
15. Tubectomy
16. Types of diabetes
17. Epilepsy
18. Trachoma
19. Purchasing power
20. Incubation period
21. Spectrum of health
22. Ascariasis

Question paper-3

II Year B.Sc. Nursing Degree Examination – SEP 2016

Time: Three Hours

Max. Marks: 75

COMMUNITY HEALTH NURSING-1

Q.P. CODE: ****

Your answers to be specific question to be asked
Draw neat labeled diagrams wherever necessary

LONG ESSAYS (Answer any two)

2x10=20 marks

1. a) Enlist the determinants of health
b) Explain any two determinants of health
2. Explain epidemiology and management of tuberculosis
3. Define demography and explain the impact of population explosion

SHORT ESSAYS (Answer any seven)

7x5=35 Marks

4. Explain the dimensions of health
5. Effect of noise pollution on health
6. Food safety standards in India
7. Management and control of Acute Diarrheal disease
8. Steps and analytical epidemiology
9. Signs and symptoms of Dengue fever
10. Explain emergency contraception
11. Management of Chicken pox
12. Housing standards

SHORT ANSWERS

10x2=20 marks

13. Define mental health
14. Define endemic
15. List any four sexually transmitted diseases
16. Define infant mortality rate
17. Define couple protection rate
18. Define skeletal Fluorosis
19. Incubation period
20. List the methods of food preservations
21. List any four respiratory infections
22. Mention the types of immunity

Question paper-4

II Year B.Sc. Nursing Degree Examination – SEP 2017

Time: Three Hours

Max. Marks: 75

COMMUNITY HEALTH NURSING-1

Q.P. CODE: ****

Your answers to be specific question to be asked
Draw neat labeled diagrams wherever necessary

LONG ESSAYS (Answer any two) marks

2x10=20

1. a) Define health
- b) Enlist the dimension of health
- c) Explain the levels of prevention to promote health
2. a) Enlist the methods of collection of demographic data
- b) Explain any two methods
3. a) Enlist the intestinal infections
- b) Discuss the epidemiology and management of hookworm infection

SHORT ESSAYS (Answer any seven)

7x5=35 Marks

4. Explain about water purification on small scale
5. Explain different methods of disposal of waste in community
6. Write about types of ventilation
7. Measurements of mortality
8. Explain the steps of epidemiological investigation
9. Signs and symptoms and management of Cholera
10. Write about DOTs
11. Explain mode of transmission of HIV
12. Explain the barrier methods of contraception

SHORT ANSWERS

10x2=20 marks

13. Define eugenics
14. Mention the types of cohort
15. Mention the effect of poor lighting
16. Define sex ratio
17. Safe period method of fertility control
18. Define eligible couple
19. Montoux test
20. Define food hygiene
21. Mention the causes of obesity
22. List four Zoonotic diseases

Question paper-5

II Year B.Sc. Nursing Degree Examination – SEP 2018

Time: Three Hours

Max. Marks: 75

COMMUNITY HEALTH NURSING-1

Q.P. CODE: ****

Your answers to be specific question to be asked
Draw neat labeled diagrams wherever necessary

LONG ESSAYS (Answer any two)

2x10=20 marks

1. a) Define health
b) Explain in brief the dimensions of health
2. a) Define Epidemiology
b) Explain in brief about Epidemiological triad
3. a) What are the stages of Demographical cycle?
b) Explain the factors which influences the fertility trends in India

SHORT ESSAYS (Answer any seven)

7x5=35 Marks

4. Precautions to be followed to prevent ill effects of high temperature
5. Criteria to followed for food fortification
6. Effects of air pollution
7. Principles of chlorination of water
8. Controlled tipping as a methods of refuse disposal
9. Explain the standards regulating food hygiene
10. Clinical features of measles
11. Scope of family planning services
12. Effects of noise exposure

SHORT ANSWERS

10x2=20 marks

13. Positive eugenics
14. Characteristics of safe and wholesome water
15. Medical causes of Infant Mortality
16. Define convalescence
17. List the warning signals of cancers
18. Secondary levels of prevention
19. National immunization schedule
20. List the methods of sewage disposal
21. Define Net Reproductive Rate
22. List four aspects of Women Empowerment

Question paper-6

II Year B.Sc. Nursing Degree Examination – SEP 2019

Time: Three Hours

Max. Marks: 75

COMMUNITY HEALTH NURSING-1

Q.P. CODE: ****

Your answers to be specific question to be asked
Draw neat labeled diagrams wherever necessary

LONG ESSAYS

2x10=20 marks

1. List the disease caused by antropods. Explain the mosquito control measures
2. Write down the various methods of waste disposal and state merits and demerits of each methods

SHORT ESSAYS

7x5=35 Marks

3. Explain scope of community health nursing
4. Describe oxidation pond
5. Enumerate the natural history of disease
6. Write immunization schedule
7. Explain obesity control measures
8. Enumerate the measurements of mortality
9. Explain the hormonal methods of family planning

SHORT ANSWERS

10x2=20 marks

10. What is ecological concept of health
11. Differentiate between patriarchal and matriarchal family
12. What is positive health
13. Mention the types of agent
14. Write the characteristics features of chicken pox
15. List the 5 F's of disease transmission
16. Mention the types of epilepsy
17. Define Net Reproductive Rate
18. What is safe period
19. Define vasectomy

Question paper-7

II Year B.Sc. Nursing Degree Examination – Dec- 2020

Time: Three Hours

Max. Marks: 75

COMMUNITY HEALTH NURSING-1

Q.P. CODE: ****

Your answers to be specific question to be asked
Draw neat labeled diagrams wherever necessary

LONG ESSAYS

2x10=20 marks

1. Describe mosquito control measures in prevention of Vector borne disease
2. Discuss the various methods of waste disposal

SHORT ESSAYS

7x5=35 Marks

3. Explain the strategies of health promotion
4. Enumerate on menstrual cycle
5. Explain the epidemiological triad
6. Write a note on scope of demography
7. Explain the epidemiology of diabetes mellitus
8. Enumerate clinical features and management of protein energy malnutrition
9. Explain noise control measures

SHORT ANSWERS

10x2=20 marks

10. Define holistic health
11. Write two advantages of recreation
12. Define food adulteration
13. Define small family norm
14. Mention the stages of demographic cycle
15. Surgical methods of family planning
16. List out the aims of epidemiology
17. Write warning signs of cancer
18. Mention four causes of mental illness
19. List any four complications of obesity
